Commercial Cleaning

Move in / Move Out

SAB Cleaning Service Provide best and cost effective Move In/Move Out cleaning service in Malaysia. We have latest equipment and highly trained and experienced team who well understand all your cleaning needs.

Our cleaning services includes everything in a routine cleaning including deep cleaning from ceiling to floor, inside cabinets/ drawers, door frames, light fixtures and electric plates, vacuuming and cleaning everything that has dust on, cleaning and sanitizing of bathrooms and kitchen. We help you clean your office, house or apartment when you leave or moving to a new place. Our high cleaning standards are designed in a way that, they meet the imaginations and hopes of real estate agencies, landlords and tenants. Our services are designed to make sure that clients save their money and time.

Commercial Cleaning

Residential Cleaning

Our cleaning system sets us apart. Our customers keep coming back to us, because we provide services that work and keep their homes and apartments clean, right down to the little details. This extensive cleaning system, which we call our Detail-Clean Rotation System, which has been proven to be effective in more than five million cleans!

How does our Residential cleaning program work?

We start with a thorough detail-clean throughout your house over the course of the first two cleans. On the first clean, our maid service will thoroughly clean your apartment, with special attention on your kitchen and bathrooms. On the second session, we'll clean your entire apartment, but this time we'll provide detail-clean services in your sleeping and living areas. We'll continue to maintain this detail-clean level throughout your home throughout our next visits by providing deep cleaning services on a rotating basis.

Commercial Cleaning

SAB Cleaning Service provides one of the best cleaning service to Hospital, Hotels & Clinics in Malaysia

Our offer environmental services like (housekeeping, bio-cleaning of patient rooms, operation rooms and hotel rooms) which will contribute to enhancing the reliability, hygiene, safety and comfort of healthcare and hotel environments, ultimately leading to wider health and hospitality outcomes.

HOSPITALS, CLINICS & HOTELS Cleaning

Our Cleaning Service focus on client-specific and measurable outcomes, which directly participate in the improvement of client's performance, reputation and competitiveness,
